PART 4. CONDITIONS

A. General Conditions:

A.1. The Wisconsin Department of Natural Resources (DEPARTMENT) and the GRANTEE identified in Part 1 above mutually agree to perform this agreement in accordance with the TRM grant program and s. 281.65, Wis. Stats., and chs. NR 151, NR 153, and NR 154, Wis. Adm. Code., and with the project proposal, application, terms, promises, conditions, plans, specifications, estimates, procedures, maps and also any assurances attached and made a part of this agreement.

A.2. This agreement, together with any referenced parts and attachments, shall constitute the entire agreement and previous communications or covenants pertaining to this agreement are superseded. Any revisions to this agreement must be made by written amendment, signed by both parties, prior to the termination date of this agreement, whether for changes in scope, grant period, or cost.

A.3. Failure by the GRANTEE to comply with the terms of this agreement shall not cause the suspension of all obligations of the State if, in the judgment of the Secretary of the DEPARTMENT, such failure was due to no fault of the GRANTEE. In such case, any amount required to settle at minimum costs any irrevocable obligations properly incurred shall be eligible for reimbursement under this agreement, at the DEPARTMENT's discretion.

A.4. Eligibility for cost-sharing reimbursement is governed by the provisions of s. NR 154.04 and ch. NR 153, Wis. Adm. Code. Cost-share rates and applicability may be further limited by departmental contract approval(s), which may restrict the cost-share amount due to the eligibility requirements of the statute and codes.

A.5. The amount listed in Part 2 above is the maximum amount the DEPARTMENT may reimburse under this agreement.

A.6. Neither the GRANTEE nor any landowner or land operator may adopt any land use or practice that reduces the effectiveness or defeats the purposes of any BMP installed under this agreement.

6. Agrees to reimburse the DEPARTMENT of any and all funds the DEPARTMENT deems appropriate in the event the GRANTEE fails to comply with the conditions of this agreement or project proposal as described, or fails to provide public benefits as indicated in the project application, proposal description or this agreement. In addition, should the GRANTEE fail to comply with the conditions of this agreement, fail to progress due to non-appropriation of funds, or fail to progress with or complete the project to the satisfaction of the DEPARTMENT, all obligations of the DEPARTMENT under this agreement may be terminated, including further project cost payment.

11. Agrees to enter into a cost-share agreement (CSAs) with landowner(s) or land operator(s) using forms provided by the DEPARTMENT if BMP will be constructed on land not owned by the GRANTEE. The CSA must include appropriate operation and maintenance requirements. The CSA installation period can be no longer than the grant period of this agreement. Each CSA exceeding \$50,000 for professional service and construction contracts, construction designs, and appraisals must be approved by the DEPARTMENT regional Nonpoint Source Coordinator before GRANTEE and landowner or land operator sign. Annual Single Audit requirements are specified in 2 CFR Part 200, titled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (also referred to as "Uniform Guidance)". The GRANTEE agrees to have an audit performed in accordance with the Uniform Guidance if the GRANTEE expends \$750,000 or more in combination of state and federal funds during the calendar year. Reimbursements are contingent upon availability of funds. Reimbursement request(s) must be submitted to the DEPARTMENT regional Nonpoint

Promises, in consideration of the covenants and agreements made by the GRANTEE, to obligate for the GRANTEE the amount identified in Part 2 above and to tender to the GRANTEE that portion of the obligation that is required to pay the DEPARTMENT's share of the costs based on the cost-share percentage listed on Part 2 above for work performed and expenses incurred during the grant period noted in Part 1 above for eligible project costs.
