Part 4: General Proposal Process

4.1 Modification or Withdrawal of Proposal. Any Proposal may be modified or withdrawn at any time prior to the Closing, provided that a written request is received by the Sauk County Land Resources and Environment Department, prior to the Closing. The withdrawal of a Proposal will not prejudice the right of a Proposer to submit a new Proposal.

4.2 Requests for Clarification and Requests for Change. Proposers may submit questions regarding the specifications of the RFP. Questions must be received **in writing via email** on or before April 4, 2024, 4:00 PM Central Time to the contact information as listed in Part 1.3 of this RFP. Requests for changes must include the reason for the change and any proposed changes to the requirements. The purpose of this requirement is to allow Sauk County the opportunity to provide clarifications or adjust RFP terms or technical requirements prior to the opening of Proposals. The County will consider all requested changes and, if appropriate, amend the RFP. The County will provide reasonable notice of its decision to all Proposers that have provided an address (email or U.S. postal service) to the Sauk County Land Resources and Environment Department for this procurement. No oral or written instructions or information concerning this RFP from County managers, employees or agents to prospective Proposals must bind County unless included in an Addendum to the RFP.

4.3 Addenda. If any part of this RFP is changed, an addendum will be provided to Proposers that have provided an address, email, or U.S. Postal Service, to the Sauk County Land Resources and Environment Department for this procurement. It must be the Proposer's responsibility to regularly check the Bids and RFPs webpage at www.co.sauk.wi.us/rfps for any published Addenda or response to clarifying questions.

4.4 Submission of Proposals. Proposals must be submitted in accordance with this RFP. All Proposals must be legibly written in ink or typed and comply in all regards with the requirements of this RFP. If a Proposal is submitted by a firm or partnership, the name and address of the firm or partnership must be shown, together with the names and addresses of the members. If the Proposal is submitted by a corporation, it must be signed in the name of such corporation by an official who is authorized to bind the Proposer. No late Proposals will be accepted. Proposals submitted after the Closing will be considered late and will be returned.

4.5 Evaluation Criteria. All Proposers must complete, sign and return Part 3 of this RFP with their Proposal. The award of a contract resulting from this RFP shall be based on the most responsible, responsive Proposer in combination with the pricing, conforming to the specifications, terms, and conditions. Sauk County reserves the right to award based upon evaluation of the Proposals, which the County deems to be in its best interest. Sauk County reserves the right to reject any and all Proposals or portions thereof.

If only one Proposal is received in response to this RFP, the County reserves the right to negotiate the terms and conditions, including the price, as proposed in the sole Proposer's Proposal. In addition, as part of such negotiations, Sauk County reserves the right to require supporting cost, pricing, and other data from the Proposer in order to determine the reasonableness and acceptability of the Proposal.

4.6 Post-Selection Review and Protest of Award. The County will name the apparent successful Proposer in a "Notice of Intent to Award" letter. Identification of the apparent successful Proposer is procedural only and creates no right of the named Proposer to award of the contract.

4.7 Investigation of References. The County reserves the right to investigate all references in addition to those supplied references and investigate past performance of any Proposer with respect to its successful performance of similar services, its compliance with specifications and contractual obligations, its completion or delivery of a project on schedule, its lawful payment of subcontractors and workers, and any other factor relevant to this RFP. The County may postpone the award or the execution of the contract after the announcement of the apparent successful Proposer to complete its investigation.

4.8 Proposal Preparation Costs and Other Costs. Proposer costs of developing the Proposal, cost of attendance at an interview (if requested by the County), or any other costs are entirely the responsibility of the Proposer and will not be reimbursed in any manner by the County. Proposer must not include any such expenses as part of the price proposed in response to this RFP. The Department must be held harmless and free from any and all liability, claims, or expenses whatsoever incurred by, or on behalf of, any person or organization responding to this RFP.

4.9 Clarification and Clarity. The County reserves the right to seek clarification of each Proposal, or to make an award without further discussion of Proposals received. Therefore, it is important that each Proposal be submitted initially in the most complete, clear, and favorable manner possible.

4.10 Right to Reject Proposals. The County reserves the right to reject any and all Proposals or to withdraw any item from the award, if such rejection or withdrawal would be in the public interest, as determined by the County.

4.11 Cancellation. The County reserves the right to cancel or postpone this RFP at any time or to award no contract.

4.12 Proposal Terms. All Proposals, including any price quotes, will be valid and firm through a period of ninety (90) calendar days following the Closing date. The County may require an extension of this firm offer period. Proposers will be required to agree to the longer time frame to be further considered in the procurement process.

4.13 Oral Presentations. At the County's sole option, Proposers may be required to give an oral presentation of their Proposals. A process which would provide an opportunity for the Proposer to clarify or elaborate on the Proposal but will in no material way change Proposer's original Proposal. If the County request presentations, the Sauk County Land Resources and Environment Department will schedule the time and location for said presentation. Any costs of participating in such presentations will be borne solely by Proposer and will not be reimbursed by the County.

4.14 Usage. It is the intention of the County to utilize the services of the successful Proposer(s) to provide services as outlined in Part 2: Specifications.

4.15 Review for Responsiveness. Upon receipt of all Proposals, the Sauk County Land Resources and Environment Department or designee will determine the responsiveness of all Proposals. If a Proposal is incomplete or non-responsive in significant part or in whole, it will be rejected and will not be

submitted to the evaluation committee. The County reserves the right to determine if an error is solely clerical or is a minor informality which may be waived, and then to determine if an error is grounds for disqualifying a Proposal. The Proposer's contact person identified on the Proposal will be notified, identifying the reason(s) the Proposal is non-responsive. One copy of the Proposal will be archived, and all others discarded.

4.16 RFP Incorporated into Contract. This RFP will become part of the Contract between the County and the selected Proposer(s). The Proposer(s) will be bound to perform according to the terms of this RFP, their Proposal(s), and the terms of a contract.

4.17 Communication Blackout Period. Except as called for in this RFP, Proposers may not communicate with members of the Sauk County Board or other County employees or representatives about the RFP during the procurement process until the apparent successful Proposer is selected, and all protests, if any, have been resolved. Communication in violation of this restriction may result in rejection of a Proposer. Refer to Part 4.2 Requests for Clarification and Requests for Change.

4.18 Prohibition on Commissions and Subcontractors. The County will contract directly with persons/entities capable of performing the requirements of this RFP. Proposers must be represented directly. Participation by brokers or commissioned agents will not be allowed during the Proposal process.

4.19 Ownership of Proposals. All Proposals in response to this RFP are the sole property of the County, and subject to the provisions of public records.

4.20 Clerical Errors in Awards. The County reserves the right to correct inaccurate awards resulting from its clerical errors.

4.21 Rejection of Qualified Proposals. Proposals may be rejected in whole or in part if they attempt to limit or modify any of the terms, conditions, or specifications of the RFP.

4.22 Collusion. By responding, the Proposer states that the Proposal is not made in connection with any competing Proposer submitting a separate response to the RFP and is in all aspects fair and without collusion or fraud. Proposer also certifies that no officer, agent, elected official, or employee of County has a pecuniary interest in this RFP.

4.23 Commencement of Work. The Proposer must commence no work until all insurance requirements have been met, a date has been agreed upon with the Proposer, County and landowner, and a Notice to Proceed has been issued by the County.

4.24 Nondiscrimination. The successful Proposer agrees that, in performing the work called for by this RFP and in securing and supplying materials, Proposer will not discriminate against any person based on race, color, religious creed, political ideas, sex, age, marital status, sexual orientation, gender identity, veteran status, physical or mental handicap, national origin or ancestry, or any other class protected by applicable law.

4.25 Best and Final Offer. The County may request best and final offers from those Proposers determined by the County to be reasonably viable for contract award. However, the County reserves the right to award a contract based on the initial Proposal received. Therefore, each Proposal should contain

the Proposer's best terms from a price and technical standpoint. Following evaluation of the best and final offers, the County may select for final contract negotiations/execution the offers that are most advantageous to the County, considering cost and the evaluation criteria in this RFP.

Part 5: Standard Terms and Conditions

5.1 Applicability. These standard terms and conditions apply to Requests for Written Quotes (RFWQ), Bids (RFB), Proposals (RFP), contracts and all other applicable transactions whereby the County acquires goods or services, or both. The terms of this section shall be incorporated into the Contract for Services. By submitting a Proposal, the Proposer is agreeing to be bound by these terms and conditions along with any other terms or conditions set forth elsewhere in this RFP. Special provisions for a contract may also apply.

5.2 Specifications. The listed specifications are the minimum acceptable. When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability or performance level, or any combination thereof, desired. When alternates are Proposal, they must be identified by manufacturer, stock number, and such other information necessary to establish equivalency. Sauk County must be the sole judge of equivalency. Proposers are cautioned to avoid proposing alternates to the specifications that may result in rejection of their Proposal.

5.3 Deviations and Exceptions. Deviations and exceptions from terms, conditions, or specifications are not accepted and the Proposal must be made as in strict compliance with all terms, conditions, and specifications and the Proposer must be bound to the provisions.

5.4 Quality. Unless otherwise indicated in the request, all material must be first quality. Items which are used, pre-owned, demonstrators, obsolete, seconds, defective, or which have been discontinued are unacceptable without prior written approval by Sauk County.

5.5 Quantities. The quantities shown on this request are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.

5.6 Delivery. Deliveries must be "Free on Board" to the destination listed on the purchase order or contract. Title and risk of loss of goods must not pass to the County of Sauk until receipt and acceptance takes place at the FOB point. Proposer will be responsible to deliver to the destination shown on the purchase order, with inside delivery required at no additional charge to Sauk County. County will reject shipments sent C.O.D. or freight collect.

5.7 Pricing and Content. Sauk County qualifies for governmental discounts; unit prices must reflect these discounts.

Unit prices shown on the Proposal or contract must be the price per unit of sale as stated on the request or contract. For any given item, the quantity multiplied by the unit price must establish the extended price; the unit price must govern in the Proposal evaluation, permits, inspections, and all other contract administration.

Prices established in continuing agreements and term contracts may be lowered due to general market conditions, but prices must not be subject to increase for term specified in the award. Proposer must submit proposed increases to the contracting department thirty (30) calendar days before the proposed effective date of the price increase. Proposed increases must be limited to fully documented cost increases to the Proposer that are demonstrated to be industry wide. Price increases may not be granted unless they are expressed in Proposal documents and contracts or agreements.

Submission of a Proposal constitutes Proposer's certification that no financial or personal relationship exists between the Proposer and any County official or employee except as specially set forth in writing attached to and made part of the Proposal. The successful Proposer must disclose any such relationship which develops during the term of the contract. See Sauk County Code of Ordinances Chapter 36, Code of Ethics.

5.8 Acceptance-Rejection. Sauk County reserves the right to accept or reject any or all Proposals, to waive any technicality in any Proposal submitted, and to accept any part of a Proposal as deemed to be in the best interests of Sauk County. Submission of a Proposal constitutes the making of an offer to contract and gives the County an option valid for ninety (90) days after the date of submission to the County. The County reserves the right to perform background and reference checks on Proposers providing goods and/or services to the County.

Proposals MUST be date and time stamped by Sauk County on or before the date and time that the Proposal is due. Proposals dated and time stamped after the deadline will be rejected. Actual receipt by the County is necessary. THERE WILL BE NO EXCEPTIONS TO THIS POLICY.

5.9 Ordering/Acceptance. Written notice of award to a Proposer in the form of a purchase order or other document, mailed or delivered to the address shown on the Proposal will be considered sufficient notice of acceptance of Proposal. A formal contract signed by both parties must be used.

5.10 Payment Terms and Invoicing. Unless otherwise agreed, Sauk County will pay properly submitted Proposer invoices within forty-five (45) days of receipt of goods and services. Payment will not be made until goods and/or services are delivered, installed (if required), and accepted as specified. Invoices presented for payment must be submitted in accordance with the contract. A good-faith dispute creates an exception to prompt payment.

5.11 No Waiver of Default. In no event must the making of any payment or acceptance of any service or product constitute or be construed as a waiver by the County of any breach of the covenants of a contract, or a waiver of any default of the successful Proposer. The making of any such payment or acceptance of any such service or product by the County while any such default or breach must exist must in no way impair or prejudice the right of the County with respect to recovery of damages or other remedy as a result of such breach or default.

5.12 Taxes. Sauk County and its departments are exempt from payment of all federal tax and Wisconsin state and local taxes on its purchases except Wisconsin excise taxes as described below. Sauk County, including all its departments, is required to pay the Wisconsin excise or occupation tax on its purchase of beer, liquor, wine, cigarettes, tobacco products, motor vehicle fuel and general aviation fuel. Sauk County may be subject to other states' taxes on its purchases in that state depending on the laws of that state. Proposers performing construction activities are required to pay state use tax on the cost of materials.

5.13 Entire Agreement. These Standard Terms and Conditions must apply to any contract or order awarded as a result of this request. Special requirements of a resulting contract may also apply. The written contract and/or order with referenced parts and attachments must constitute the entire agreement, and no other terms and conditions in any document, acceptance, or acknowledgment must be effective or binding unless expressly agreed to in writing by the County.

5.14 Guaranteed Delivery. Failure of the Proposer to adhere to delivery schedules as specified or to promptly replace rejected materials must render the Proposer liable for all costs in excess of the contract price when alternate procurement is necessary. Excess costs must include administrative costs to retain such replacement.

5.15 Applicable Law. This contract must be governed by the laws of the State of Wisconsin, and venue for any legal action between the parties must be in the Sauk County Circuit Court. The Proposer must always comply with and observe all federal and state laws, local laws, ordinances, and regulations which are in effect during the period of this contract and which in any manner affect the work or its conduct. Sauk County also reserves the right to cancel this contract if the County learns the Proposer is debarred from a local governmental entity, the State of Wisconsin or federally debarred Proposer or a Proposer that is presently identified on the list of parties excluded from local or federal procurement and non-procurement contracts.

5.16 Antitrust Compliance. Those parties contracting with the County, or submitting Proposals under this Request for Proposal, certify that with respect to all aspects of this Proposal and any subsequent agreement they have complied and will comply with all Federal and State Anti-Trust and Restraint of Trade laws and regulations. FURTHERMORE, said party agrees to defend and hold harmless the County of Sauk against any claims to the contrary.

5.17 Assignment. No right or duty in whole or in part of the Proposer under a contract may be assigned or delegated without the prior written consent of Sauk County.

5.18 Subcontracting. If sub-contractors are to be used, this must be clearly explained in the Proposal. Awarded Proposer(s) will not be permitted to sublet, sell, transfer, assign or otherwise dispose of the contract or any portion therein, or its right, title, or interest in the contract to any person, contractor(s) or other organization without prior written consent of the County. No subcontract must, under any circumstances, relieve the Proposer of liability and obligation under this contract. The awarded Proposer must be fully responsible for the acts, errors, and omission of subcontractor(s).

5.19 Nondiscrimination/Affirmative Action. The Proposer agrees, in accordance with Sec. 111.321, Wis. Stats. not to discriminate against any person, whether an applicant or recipient of services, an employee, or applicant for employment, on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs. The Proposer must provide a harassment-free work environment. These provisions must include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment, advertising, layoff, termination, training, including apprenticeships, rates of pay or other forms of compensation. Failure to comply with these Terms and Conditions may result in the Proposer being debarred, termination of the contract and/or withholding of payment.

5.20 Safety Requirements. All employer practices, employee practices, materials, equipment, and supplies provided to Sauk County must comply fully with all safety requirements as set forth by the Wisconsin Administrative Code and all applicable OSHA Standards. The Proposer must comply with the

County’s worksite rules. Proposer must comply, train, and accept exclusive responsibility for its employees while on County property.

5.21 Safety Data Sheets. If any item(s) on an order(s) resulting from this award(s) is a hazardous chemical, as defined under 29CFR 1910.1200, the Proposer must provide one (1) copy of Safety Data Sheets for each item with the shipped container(s) and one (1) copy with the invoice(s).

5.22 Warranty. Unless specifically expressed otherwise in writing, goods and equipment purchased as a result of this request or contract must be warranted against defects by the Proposer for one (1) year from date of receipt. An equipment manufacturer’s standard warranty must apply as a minimum and must be honored by the Proposer.

5.23 Indemnification and Insurance. The Proposer must bear the full and complete responsibility for all risk of damage of premises, equipment, procedure, or money resulting from any cause whatsoever and must not penalize the County for any losses incurred.

Proposer must indemnify, hold harmless, and defend Sauk County, its officers, boards, commissions, agents and employees from any and all liability, claims, demands, losses (including, but not limited to, property damage, bodily injury and loss of life), costs, expenses or damages which Sauk County, its officers, employees, agents, boards, or commissions may sustain, incur or be required to pay by reason of Proposer furnishing goods or services required to be provided pursuant to this contract where such liability is founded upon or grows out of acts or omissions of any agents or employees of the Proposer. Nothing contained herein must require Proposer to defend or indemnify the County for losses, damages, injuries, or death arising out of the negligence of the County, its agents or employees. The obligations of Proposer under this paragraph must survive the expiration or termination of the contract or agreement.

To secure Proposer’s obligation to hold harmless and indemnify the County, Proposer must procure and maintain the following insurance:

Worker’s Compensation Insurance as prescribed by the laws of the State of Wisconsin.

General Liability

General Aggregate:	\$1,000,000.00

The insurance certificate is required to be presented prior to the issuance of the purchase order or before commencement of the contract.

5.24 Termination for Default. Failure of the awardee to perform any of the provisions of the contract must constitute a breach of contract, in which case, the County may require corrective action within ten (10) calendar days from date of receipt of written notice citing the exact nature of such breach. Failure to take corrective action or failure to provide a written reply within the prescribed ten (10) days must constitute a default of the contract. If defaulted, the Proposer must be liable for liquidated damages, if any. Sauk County reserves the right to enforce the performance of this contract in any manner prescribed by law in the event of breach of default of this contract and may contract with another party with or without solicitation of Proposals or further negotiations. As a minimum, Proposer must be required to pay any difference in the cost of securing the products or services covered by this contract or compensate for any loss to County should it become necessary to contract with another source because of this default, plus reasonable administrative costs, reasonable attorney's fees, court cost and expenses.

5.25 Termination for Convenience. Upon seven (7) calendar days written notice delivered by first class postpaid United States Mail, to the address indicated in the Proposal, to the successful Proposer, Sauk County may without cause and without prejudice to any other right to remedy, terminate the agreement for Sauk County's convenience whenever Sauk County determines that such termination is in the best interest of the County. Where the agreement is terminated for convenience of Sauk County the notice of termination must state that the contract is being terminated to the convenience of Sauk County under the termination clause and the extent of the termination. Upon receipt of such notice, the Proposer must promptly discontinue all work at the time and to the extent indicated on the notice of termination. The Proposer must also terminate all outstanding sub-contractors and purchase orders to the extent that they relate to the terminated portion of the contract and refrain from placing further orders and subcontracts except, as they may be necessary and complete any continued portions of the work.

5.26 Non-Appropriation of Funds. Sauk County intends to make all payments required to be made under any Agreement resulting from this RFP. However, in the event Sauk County's legislative body, the Sauk County Board of Supervisors, does not appropriate funds for the continuation of the Agreement for any fiscal year after the first fiscal year, said agreement will be terminated without damages or cost for such termination.

5.27 Recordkeeping and Record Retention – Public Works Contracts. The Proposer on a public works contract must establish and maintain adequate payroll records for all labor utilized as well as records for all expenditures incurred under the contract. All records must be kept in accordance with generally accepted accounting procedures. All procedures must be kept in accordance with generally accepted accounting procedures. Sauk County must have the right to audit, review, examine, copy, and

transcribe any such records or documents relating to any contract resulting from this Proposal held by the Proposer. The Proposer will retain all documents applicable to a contract for a period of not less than five (5) years after final payment is made.

5.28 Independent Vendor Status. Contractor holds itself out as an independent contractor. Contractor: is a separate and independent enterprise from the County; has a full opportunity to find other business; has made its own investment in its business, trade or profession; possesses the equipment, instrumentalities, materials, and office necessary to perform the work; controls the means of performing the work; and risks profit and loss as a result of the work. Contractor is acting as an independent contractor in providing and performing the services contemplated by this contract. It is the parties' intention that the Contractor is an independent contractor and not the County's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, and the provisions of the Internal Revenue Code, the state revenue and taxation law, the state workers' compensation law and the state unemployment insurance law. It is not the intention of the parties that this contract create any joint employment relationship between the Contractor and the County, and the county shall not be liable for any obligation incurred by the Contractor, including but not limited to unpaid minimum wages, overtime premiums, unemployment insurance benefits, worker's compensation benefits, health insurance, health benefits, disability benefits, or retirement benefits. Contractor is not entitled to receive any benefits from County or to participate in any County benefit plan.

5.29 Public Records, General. It is the intention of the County to maintain an open and public process in the solicitation, submission, review, and approval of procurement activities. Proposal openings are public unless otherwise specified. If awarded this contract, Proposer must assist Sauk County in complying with any public records request made under Wisconsin Law or Federal Freedom of Information Act.

The Parties acknowledge that Sauk County is a municipal corporation legally bound to comply with the Wisconsin Public Records Law and Open Meetings Law (see sections 19.32-19.39 & 19.81-19.98, Wis.
