The

Federal Health Care Provider Conscience Protection law prohibits recipients of certain federal financial assistance from discriminating against certain health care providers because of the provider's refusal or willingness to participate in sterilization procedures or abortions contrary to or consistent with the provider's religious beliefs or moral convictions. The Genetic Information Nondiscrimination Act of 2008 (P.L. 110-233, 122 Stat. 881)<sup>1</sup>, also referred to as GINA, applies to certain health care entities and providers that prohibits discrimination in health coverage and employment based on genetic information. **(Not all prohibited bases will apply to all programs and/or employment activities.)**

The Recipient will:

1. Provide training to all staff on the CRC laws, and methods of providing meaningful and effective cross-cultural services to diverse populations from different cultures, linguistic, and/or physical conditions through the provision of cultural awareness skill training. Primary recipients and sub-recipients administering USDA-FNS funded programs must provide CRC training to all frontline staff who interact with program applicants and participants, not limited to supervisors and administrators, annually. Non USDA-FNS funded recipients must provide CRC training and/or cross-cultural awareness training for each staff person during the employee's initial orientation process and once every three years thereafter.
2. Provide accessible programs, facilities and reasonable accommodations to service participants/customers with disabilities in compliance with Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 as amended (ADA) and it applies to local governments and municipalities, Title III of the ADA or Wisconsin Civil Rights Statute Chapter 106.52 Public Places of Accommodations or Amusement, and DWD Chapter 221.1.

Provide an oral interpreter for an applicant/participant with limited English proficiency (LEP) to ensure meaningful participation in the organization's programs and services.
5. Provide LEP applicants/participants with written notice of their right to receive oral interpretation in their primary language free of charge.
6. Provide translation of vital documents for each eligible LEP group that constitutes at least 5 percent or 1,000 individuals, whichever is less, of the population eligible to be served or likely to be encountered in the recipient's service area.
7. Establish an appeal or complaint process that shall be posted in the different languages of those LEP groups like to be eligible and likely to be encountered in the recipient's service area. The appeal and/or complaint process must be posted in conspicuous places such as lobbies and waiting rooms available to applicants/clients.

**B. Employment Conditions:** Employment discrimination is prohibited by Title VII of the Civil Rights Act of 1964, Title I of the ADA of 1990 as amended, Section 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act of 1976, Ch. 111.31 to 111.395 (Wis. Fair Employment Act), Wisconsin Statutes, Chapter 230, Chapter 106.52 Public Places of Accommodations; Wisconsin Contract Compliance Law, Chapters 16.765 and 51.01(5), Wis. Stats., Executive Order 11246, as amended, and other laws requiring nondiscrimination in employment. Title VI of the Civil Rights Act of 1964 statutorily restricts claims of employment discrimination to instances where the "primary objective" of the financial assistance is to provide employment; however, a recipient's employment practices may be subject to Title VI when these practices negatively affect the delivery of services to ultimate beneficiaries. When employment discrimination by a recipient has a secondary effect on the ability of beneficiaries to meaningfully participate in and/or receive the benefits of a federally assisted

program in a nondiscriminatory manner, these employment practices will come within the purview of Title VI.

No otherwise qualified person shall be excluded from employment, be denied the benefits of employment or otherwise be subjected to discrimination in employment in any manner or term of employment on the basis of, race, creed, color, national origin, ancestry, age, sex/gender, gender identity, disability, arrest and conviction record, sexual orientation, marital status, familial or parental status or all or part of an individual's income is derived from any public assistance program, and membership in the military reserve. State law prohibits honesty and genetic testing or protected genetic information in employment, discrimination due to filing a complaint or because of the use or nonuse of lawful products outside the workplace during nonworking hours. The Federal Health Care Provider Conscience Protection Law protects certain health care providers on the basis of religion. All employees, especially supervisors and managers, are expected to support goals and programmatic activities relating to nondiscrimination in employment.

The DCF, DHS and DWD are aware of, and respect tribal rights in the area of employment that includes "Indian Preference" that exempts the tribes from compliance with specific employment civil rights laws. The DCF, DHS and DWD will work in a government-to-government relationship through "Consultation and Coordination" with Wisconsin Indian Tribal Governments when an employment discrimination complaint is filed against a funded Indian Tribe. Furthermore, USDA-FNS 7 CFR Part 272.2(b) 3., requires DHS to implement the Supplemental Nutrition Assistance Program (SNAP) in a manner that is responsive to the special needs of American Indians on reservations and consult in good faith with tribal organizations about that portion of the State's SNAP Plan of Operation pertaining to the implementation of the Program for members of the tribe on reservations.

The Recipient will:

1. Fairly and consistently administer and revise policies and procedures to comply with federal and state employment laws.
2. Establish policies and processes that eliminate bias and assure Equal Opportunity for all employment actions, i.e., hiring and selection up to voluntary or involuntary termination.
