### What is a Zoning Map Amendment?

The purpose of a zoning map amendment is to alter, enlarge, or reduce a geographic extent of any zoning district, or to enact a new zoning designation for any particular parcel or real property. A change in zoning allows for different land uses and in some instances, different densities of development. The Land Resources & Environment Committee will recommend approval or disapproval of a rezone to the Sauk County Board of Supervisors in accordance with the standards and criteria set by the zoning ordinance.

### Standards and Criteria

In reviewing a Zoning Map Amendment request, the LRE Committee must follow four standards:

- a) The proposed map amendment is consistent with the overall purpose and intent of the zoning ordinance.
- b) The proposed map amendment is consistent with the Sauk County Comprehensive Plan and the Farmland Preservation Plan, if applicable.
- c) Factors have changed from the time of initial ordinance adoption that warrant the map change, or an error, inconsistency, or technical problem administering the zoning ordinance as currently depicted has been observed.
- d) In rezoning land out of any exclusive agriculture district, the agency shall find all of the following, after a public hearing:
  1. The land is better suited for a use not allowed in the exclusive agriculture district.
  2. The rezoning is consistent with the Sauk County Comprehensive Plan.
  3. The rezoning is substantially consistent with the Sauk County Farmland Preservation Plan.
  4. The rezoning will not substantially impair or limit current or future agricultural use of surrounding parcels of land that are zoned for or legally restricted to agricultural use.

Note: Pursuant to Wis. Stat § 91.48(1) A political subdivision (Sauk County) with a certified farmland preservation zoning ordinance may not rezone land out of a farmland preservation zoning district (Exclusive Agriculture) without having the rezoning certified under Wis. Stat § 91.36 and provided that the standards (a) through (d) above are met.

### Process

1. Contact the LRE Department to schedule a meeting to review your potential request.
2. Complete the Zoning Map Amendment Application and provide all the supplemental items to the LRE Department by the filing deadline.
3. Review such application with the appropriate staff member to determine completeness.
4. If the application is complete, LRE staff will publish notice of your request for a zoning map amendment in the County's official newspaper noting the location and time of the required public hearing before the LRE Committee. Neighbors, town officials, and affected state agencies will be notified as well.
5. If the Town chooses to review the zoning map amendment request at the Town Planning Commission and Town Board level, you will need to attend such meetings to provide information regarding the request. Please request that copies of minutes/proceedings outlining the Town's recommendation be provided to the LRE Department for the file.
6. A public hearing will be held before the LRE Committee. Either the property owner or designated agent will need to be present at the hearing to provide testimony regarding the request. The LRE Committee must make a decision based only on the evidence that is submitted to it at the time of the hearing. Failure to provide representation may result in denial or postponement of your request.
7. The LRE Committee and Sauk County Board of Supervisors may approve, disapprove, or modify and approve the zoning map amendment request.

*Please Note: If a zoning map amendment application is dis approved by the LRE Committee and no appeal is filed, no new zoning map amendment application can be re-submitted for a period of 365 days from the date of the LRE Committee's decision, except on grounds of new evidence or proof of changes of factors found valid by the LRE Committee.*
