CIRCUIT COURT

IN THE MATTER OF THE **GUARDIANSHIP OF** Acknowledgment of **Guardianship Limitations and** Procedure DOB: Case Number: 20 JG I understand and accept the following limitations and procedures concerning this Juvenile Guardianship action. 1. If a guardian is appointed, the guardian will have the decision making authority in regard to the care and custody of the child. 2. Granting the guardianship does not terminate any parental rights of the child's parents. 3. If a parent initially objects to the guardianship, in all likelihood the petition for guardianship will be dismissed unless the petitioner can prove that the parents are unfit or that legally compelling circumstances, as determined by the court, exist. 4. If the guardianship is granted based upon an agreement of the parents and if, at some time in the future one or both of the parents want to terminate the guardianship, in all likelihood the guardianship will be terminated unless the petitioner can prove that the parents are unfit or that legally compelling circumstances, as determined by the court, exist. This minor guardianship action does not address visitation. Guardianship is a private matter and visitation is to be arranged between the appointed guardian and the parents. If a parent or guardian wishes to terminate the guardianship before the child's 18th birthday a petition (form GN3650) is to be completed and filed with the Juvenile Clerk of Court. The court will require a hearing and will appoint a Guardian ad Litem (the initial Guardian ad Litem is discharged upon appointment of the guardian) prior to terminating the guardianship. A Guardian ad Litem fee of \$250.00 will be required for the appointment of a GAL in the subsequent proceeding. **Date** Signature
