4. Plan Commission/Town Recommendation

The Town Board of Merrimac is aware that an appeal has been made to the Board of Adjustment for this project.

5. Planning and Zoning Recommendation

Planning and zoning recommends that the following conditions be considered by the Board should the Board grant the special exception permit.

A. All work on and use of the premises shall proceed with the plans and supplemental evidence presented at the hearing. It is the responsibility of the applicant to secure all required Town, State, Federal and County permits within one year of the hearing date. County permits required for this approval include land use permits for filling & grading, construction of retaining walls and stairs and tree cutting.

B. No work shall be commenced prior to receiving the Board of Adjustment decision letter and securing the required permits.

C. Erosion control shall be installed and maintained until the site is stabilized/revegetated per the plans submitted at the time of application.

D. This project shall not increase stormwater runoff onto neighboring properties.

E. Sauk County Conservation, Planning and Zoning shall be granted permission to view the site to ensure compliance with these conditions and other relevant provisions of Sauk County Ordinances. The power to ensure compliance with these conditions is given to Sauk County Conservation, Planning and Zoning. If the department finds that any of these conditions have been violated, they are hereby authorized to take corrective action, either

through suspension of the permit, citations or by any means of enforcement that is within their power.

F. Failure by the Applicant to follow all of the conditions set forth by the Sauk County Board of Adjustment is grounds for suspension or revocation of the special exception permit and possible enforcement action. In order to have the special exception permit reinstated after suspension, the applicant must comply with all conditions established by the Board of Adjustment, as determined by the Sauk County Conservation, Planning & Zoning Director or appear in front of the Board of Adjustment. In order to have the special exception permit reinstated after revocation the applicant must appear in front of the Board of Adjustment for a new hearing and comply with all requirements as outlined in this letter.
