DECISION
SAUK COUNTY BOARD OF ADJUSTMENT
Appeal Application No. SP-02-11

CERTIFIED MAIL
RETURN RECEIPT REQUESTED

Mr. Robert Scott
439 S. East St.
Wonewoc, WI. 53968

Dear Mr. Scott:

On February 24, 2011, the Sauk County Board of Adjustment considered your application for a special exception permit, pursuant to Sauk Co. Code § 8.08(3)(a)1. Based upon the applicable records, evidence and testimony presented at the hearing, the Board of Adjustment makes the following:

FINDINGS OF FACT

Robert Scott, hereinafter referred to as "Applicant", applied for a special exception permit pursuant to Sauk Co. Code § 8.08(3)(a)1, to authorize filling and grading on slopes in excess of twenty percent. The property is located in Section 14 of the Town of La Valle and subject to Chapter 8, the Sauk County Shoreland Protection Ordinance.

The Applicant is applying for a special exception permit to authorize filling and grading during the construction of a detached garage. The parcel included is 024-2146-00000.

The surrounding area is a residential subdivision.

CONCLUSIONS OF LAW

The Sauk County Board of Adjustment may not grant a special exception permit for filling and grading unless all of the conditions listed in Sauk Co. Code §8.08(3), 8.14(3)(b) and 8.14(3)(c), are met. As part of its review, the Board must determine whether the proposed project is consistent with the intent of the ordinance and whether the work will significantly injure the public health, safety or welfare. The applicant has the burden of showing that the permit meets the standards designated in Sauk Co. Code § 8.08(3). Edward Kraemer & Sons, Inc. v. Sauk County Board of Adjustment, 183 Wis. 2d 1, 515 N.W.2d 256, 262 (1994).

Upon reviewing the evidence and testimony, the Board determined the project is consistent with the purpose and intent of the Shoreland Protection Ordinance. The board

made this decision based on testimony and information provided at the hearing, and the following:

The Board found that this type of construction was common in the area due to the existing terrain, and they had concerns for the condition of the access easement road after the project is completed as they have a desire for the applicant to be a good neighbor. No condition was added but the Board wants the applicant to be conscious of their actions as it pertains to the road and slopes.

DECISION

Based upon the evidence, testimony, exhibits and legal authority, the Sauk County Board of Adjustment, by a vote of four to none, approves your request, subject to conditions, for a special exception permit to authorize the filling and grading as proposed.

In issuing the special exception permit, the Board set forth the following conditions the Applicant shall comply with:

- A. All work on and use of the premises shall proceed with the plans and supplemental evidence presented at the hearing. It is the responsibility of the applicant to secure all required Town, State, Federal and County permits within one year of the hearing date. County permits required for this approval include land use permits for filling & grading and the detached accessory building
- B. No work shall be commenced prior to receiving the Board of Adjustment decision letter and securing the required permits.
- C. Erosion control shall be installed, as necessary and maintained until the site is stabilized/revegetated per the plans submitted.
- D. This project shall not disturb neighboring properties nor increase storm water runoff.
- E. Per Sauk Co. Code 8.08(5)(a), the smallest amount of bare ground shall be exposed for as short a time as feasible.
- F. Per Sauk Co. Code 8.08(5)(b), temporary ground cover (such as mulch or jute netting) shall be used and permanent vegetative cover shall be established.
- G. Per Sauk Co. Code 8.08(5)(c), diversion berms or bales, silting basins, terraces, filter fabric fencing, the application of polymers and other methods shall be used to prevent erosion.
- H. Per Sauk County Code 8.08(5)(e), fill shall be stabilized according to accepted engineering standards.

I. Sauk County Planning and Zoning shall be granted permission to view the site to ensure compliance with these conditions and other relevant provisions of Sauk County Ordinances. The power to ensure compliance with these conditions is given to Sauk County Planning and Zoning. If the department finds that any of these conditions have been violated, they are hereby authorized to take corrective action, either through suspension of the permit, citations or by any means of enforcement that is within their power.

J. Failure by the Applicant to follow all of the conditions set forth by the Sauk County Board of Adjustment is grounds for suspension or revocation of the special exception permit and possible enforcement action. In order to have the special exception permit reinstated after suspension, the applicant must comply with all conditions established by the Board of Adjustment, as determined by the Sauk County Planning & Zoning Director or appear in front of the Board of Adjustment. In order to have the special exception permit reinstated after revocation the applicant must appear in front of the Board of Adjustment for a new hearing and comply with all requirements as outlined in this letter.

APPEAL RIGHTS

A complete record of the hearing and the decision of the Board is available for inspection at the Sauk County West Square Building. Please note that advance arrangements may be necessary to inspect such records. This decision will become final unless a written appeal is filed with the Sauk County Circuit Court within 30 days of the decision being filed in the Sauk County Planning and Zoning Office. Copies of the record may be secured upon written request and upon payment of the transcription fees.

Very truly yours,

SAUK COUNTY BOARD OF ADJUSTMENT

Richard Vogt, Chair

Robert Roloff, Secretary
