Dear Sirs, Ms.:

On August 25, 2011, the Sauk County Board of Adjustment considered your application for a special exception permit, pursuant to Sauk Co. Code § 7.05B(2)(b)6. Based upon the applicable records, evidence and testimony presented at the hearing, the Board of Adjustment makes the following:

#### FINDINGS OF FACT

The Town of Honey Creek, hereinafter referred to as "Applicant", applied for special exception permits pursuant to Sauk Co. Code § 7.05B(2)(b)6, to authorize a governmental use. The property is located in section 15 of the Town of Honey Creek and subject to Chapter 7, the Sauk County Zoning Ordinance.

Section 7.05B(2)(b)6 of the Sauk County Zoning Ordinance provides that a special exception permit is required for governmental uses such as police and fire stations, highway storage garages, solid waste disposal and sewage treatment plants, gravel pits and quarries, schools, parks and campgrounds, airports and landing strips.

This Town is requesting a special exception permit to build a storage shed for the Town's road maintenance equipment and materials.

#### CONCLUSIONS OF LAW

The Sauk County Board of Adjustment may not grant a special exception permit for a motel unless all of the conditions listed in Sauk Co. Code § 7.05B(2)(b) are met. As part of its review, the Board must determine whether the location of the shed will significantly injure the public health, safety or welfare. The applicant has the burden of showing that the permit meets the standards designated in Sauk Co. Code § 7.05B(2)(b). Edward Kraemer & Sons, Inc. v. Sauk County Board of Adjustment, 183 Wis. 2d 1, 515 N.W.2d 256, 262 (1994).

Upon reviewing the evidence and testimony, the Board determined the proposed location of the storage shed is consistent with the purpose and intent of the Ordinance. The board made this decision based on testimony and information provided at the hearing, and the following:

The Sauk County Board of Adjustment determined that the inside storage of the towns equipment, signs and other materials that are currently sitting outside would be an improvement.

## DECISION

Based upon the evidence, testimony, exhibits and legal authority, the Sauk County Board of Adjustment, by a vote of five to none, approves your request, subject to conditions, for a special exception permit for a governmental use..

In issuing the special exception permit, the Board set forth the following conditions the Applicant shall comply with:

A. All work on and use of the premises shall proceed with the plans and supplemental evidence presented at the hearing. It is the responsibility of the applicant to secure all required Town, State, Federal and County permits prior to commencing operation. County permits required for this approval include a land use permit for the new shed.

B. No work shall be commenced prior to receiving the Board of Adjustment decision letter and securing the required permits.

C. Sauk County Conservation, Planning and Zoning shall be granted permission to view the site to ensure compliance with these conditions and other relevant provisions of Sauk County Ordinances. The power to ensure compliance with these conditions is given to Sauk County Conservation, Planning and Zoning. If the department finds that any of these conditions have been violated, they are hereby authorized to take corrective action, either through suspension of the permit, citations or by any means of enforcement that is within their power.

D. Failure by the Applicant to follow all of the conditions set forth by the Sauk County Board of Adjustment is grounds for suspension or revocation of the special exception permit and possible enforcement action. In order to have the special exception permit reinstated after suspension, the applicant must comply with all conditions established by the Board of Adjustment, as determined by the Sauk County Conservation, Planning & Zoning Director, or appear in front of the Board of Adjustment. In order to have the special exception permit reinstated after revocation the applicant must appear in front of the Board of Adjustment for a new hearing and comply with all requirements as outlined in this letter.
