

**BOARD OF ADJUSTMENT STAFF REPORT**  
**SP-08-12**

**Kenneth & Sue Ellen Keegstra**  
Public Hearing Scheduled for: 04/26/12

1. Request

A request for a special exception permit to authorize filling and grading on slopes of more than 20% during the construction of a new residence.

2. History

<b>Location/Zoning</b>	<b>Permits Issued</b>	<b>Previous Appeals</b>	<b>Citations</b>
Property is located in the Shoreland Protection Zoning District, on real estate described as: E4528 W. Redstone Dr., lot 1 of CSM 5921, part of the NW ¼, SW ¼, section 24, T13N, R3E, Town of La Valle	<u>Permits:</u> A permit has been issued in 2010 to replace the septic system with holding tanks.	None found	None found

3. Finding of Fact:

When reviewing a special exception proposal for special exceptions in the Shoreland Protection District, the Board of Adjustment looks at several criteria, including the conditions in section 8.08(3) and the provisions specified in sections 8.14(3)(b) and 8.14(3)(c).

Section 8.08(3)(a)1 provides that a special exception permit is required for any filling or grading on slopes of more than twenty percent of any area which is within 300 feet landward of the ordinary high water mark of a navigable water.

Surrounding Properties		Floodplain/Wetland	Other:
<b>West, East &amp; South</b>	Developed and vacant residential properties.	Floodplain map, panel 5511C0179E, effective date 12-15-09. The location of the new residence is outside of the floodzone.  There are no mapped wetlands indicated in this area.	Lake Redstone is a navigable water and is subject to the Shoreland Protection Ordinance.
<b>North</b>	Lake Redstone		

4. Plan Commission/Town Recommendation

The Town Board of La Valle is aware that an appeal has been made to the Board of Adjustment for this project.

5. Planning and Zoning Recommendation

Planning and zoning recommends that the following conditions be considered by the Board should the Board grant the special exception permit.

A. All work on and use of the premises shall proceed with the plans and supplemental evidence presented at the hearing. It is the responsibility of the applicant to secure all required Town, State, Federal and County permits within one year of the hearing date. County permits required for this approval include a land use permits for the construction of the residence and filling & grading.

B. No work shall be commenced prior to receiving the Board of Adjustment decision letter and securing the required permits.

C. Erosion control shall be installed and maintained until the site is stabilized/revegetated per the plans submitted at the time of application.

D. This project shall not increase stormwater runoff onto neighboring properties.

E. Sauk County Conservation, Planning and Zoning shall be granted permission to view the site to ensure compliance with these conditions and other relevant provisions of Sauk County Ordinances. The power to ensure compliance with these conditions is given to Sauk County Conservation, Planning and Zoning. If the department finds that any of these conditions have been violated, they are hereby authorized to take corrective action, either

through suspension of the permit, citations or by any means of enforcement that is within their power.

F. Failure by the Applicant to follow all of the conditions set forth by the Sauk County Board of Adjustment is grounds for suspension or revocation of the special exception permit and possible enforcement action. In order to have the special exception permit reinstated after suspension, the applicant must comply with all conditions established by the Board of Adjustment, as determined by the Sauk County Conservation, Planning & Zoning Director or appear in front of the Board of Adjustment. In order to have the special exception permit reinstated after revocation the applicant must appear in front of the Board of Adjustment for a new hearing and comply with all requirements as outlined in this letter.
