3. Finding of Fact:

When reviewing a special exception proposal the Board of Adjustment reviews the proposed site to show that the approval shall be consistent with the general purpose and intent of the ordinance and to show the desirability of the proposed location for the specific proposed use from the standpoint of the public interest because of such factors as (without limitation because of enumeration) smoke, dust, noxious or toxic gases or odors, noise, vibration, operation of heavy machinery, heavy vehicular traffic and increased traffic on public streets.

Section 7.05(2)(l)19 of the Sauk County Zoning Ordinance provides that a special exception permit is required for mineral extraction activities.

This site had been used, off and on, for mineral extraction since 1917. A special exception permit was granted in 2007, to the applicants, for the continued operation of the quarry for a period of five years.

- B. No work shall be commenced prior to receiving the Board of Adjustment decision letter and securing the required permits.
- C. The site shall operate under the terms and during the hours as permitted by special exception permit SP-08-07. This permit is due to expire February of 2022.
- D. The permit shall be nontransferable.

E. Sauk County Conservation, Planning and Zoning shall be granted permission to view the site to ensure compliance with these conditions and other relevant provisions of Sauk County Ordinances. The power to ensure compliance with these conditions is given to Sauk County Conservation, Planning and Zoning. If the department finds that any of these conditions have been violated, they are hereby authorized to take corrective action, either through suspension of the permit, citations or by any means of enforcement that is within their power.

F. Failure by the Applicant to follow all of the conditions set forth by the Sauk County Board of Adjustment is grounds for suspension or revocation of the special exception permit and possible enforcement action. In order to have the special exception permit reinstated after suspension, the applicant must comply with all conditions established by the Board of Adjustment, as determined by the Sauk County Conservation, Planning & Zoning Director or appear in front of the Board of Adjustment. In order to have the special exception permit reinstated after revocation the applicant must appear in front of the Board of Adjustment for a new hearing and comply with all requirements as outlined in this letter.
