CAMP AMERICAN LEGION
IS A PLACE OF:

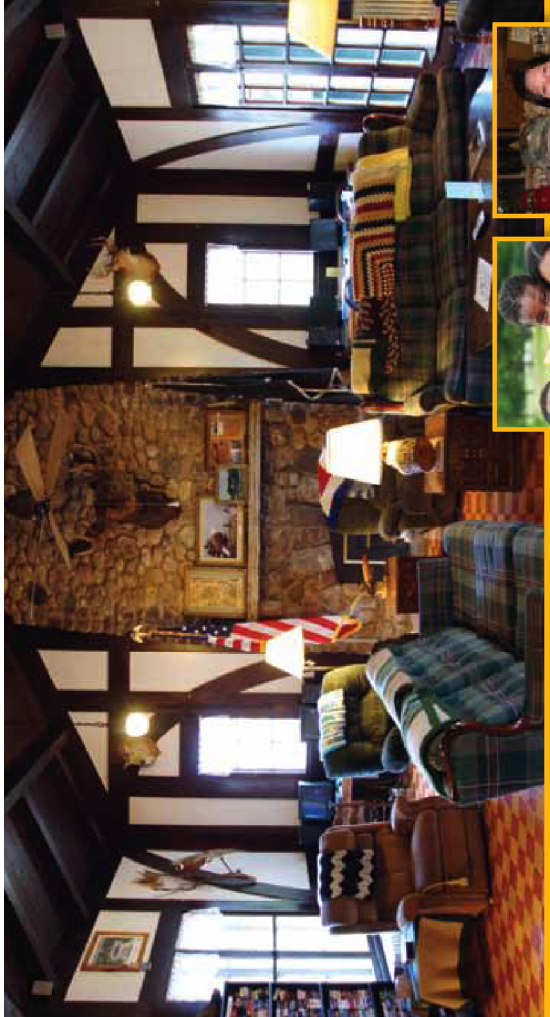

*Mind, Body
and Spirit*

Peace, Tranquility,
and Camaraderie

Healing, Support
and Family

Rest, Relaxation & Recuperation

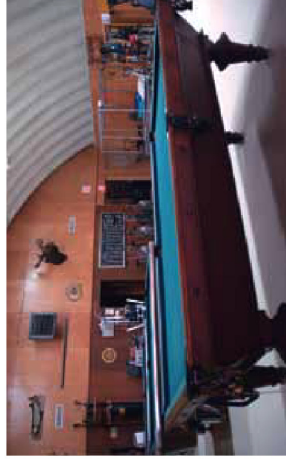

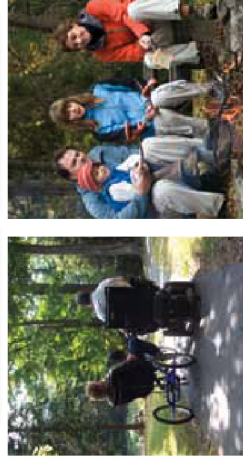

The mission of Camp is to provide rest and recuperation to Wisconsin veterans of all ages, military service members and their families. Camp serves those who have a physical or psychological medical condition, any and all types of service and non-service related illnesses, injuries or disability. We assist those with Post Traumatic Stress (PTS), Traumatic Blast Injuries (TBI) and Combat Operational Stress (COS) along with many other related emotional and cultural issues to get them back on the road to health. In addition, Camp is a place for family reintegration and support following a service member's deployment. Families and children are welcome as our goal is to help bring families back together, reconnect and bond. We also welcome survivor families of the fallen, those who have lost a family member in service, to assist them with their grief, remembrance and healing.

My family and I had a chance to relax, bond and enjoy nature's beauty in God's country. Camp is a spectacular place to reflect and heal.
