It is the mission of the Sauk County Parks and Recreation division to acquire, develop, preserve, protect and maintain our parks and facilities for all citizens and to provide outdoor recreational opportunities that contribute to the well-being of individuals and families.

There are 14 different parks and properties to check out. The most common activities on properties owned or managed by Sauk County are nature-based, such as walking, hiking, biking, hunting, paddle sports, fishing and wildlife viewing. There is a public campground available at White Mound County Park.

Park rules and more detailed information can be found at our website or by scanning the QR code on the reverse side of this brochure.

1 - WHITE MOUND COUNTY PARK

57995 White Mound Drive, Hillpoint, WI 53937

At approximately 1,100 acres, White Mound County Park is Sauk County Parks + Recreation's headquarters and the County's largest park. At the heart of the park is a 104 acre lake that may be used for fishing, paddle sports, swimming and boating (at a slow-no-wake speed). Types of fish found include panfish, largemouth bass, northern pike and catfish. Paddle sport rentals are available at the office. There is an extensive system of trails throughout the park, open for hiking, snowshoeing, horses and snowmobiles (weather permitting). An abandoned limestone kiln can also be found at the park. The park offers a tent and RV campground, as well as a horse campground for those who bring their own horses. Many astronomers visit the park to utilize the distinguished quality of starry nights. Scattered around the park are many picnic areas that include playgrounds, grills, picnic tables, bathrooms and a shelter (available to rent for a fee). The Prairie Smoke Terrace building is also available to rent all seasons and seats about 64 people indoors. Hunting and trapping are allowed in many areas of the park. There is ample parking and an entrance fee is required.

2 - SAUK COUNTY FARM

S4555 County Road CH, Reedsburg, WI 53959
