

PROJECT HEALING WATERS FLY FISHING

Project Healing Waters Fly Fishing has come to Tomah Wisconsin as part of a Rural initiative! This program works with Active Duty/Reservists and Veterans in need of supports! The program provides all needed equipment to engage in classes, outings, and even overnight trips! Whether you are new to the sport or an avid fly fisher you can take part! There are opportunities year round! We are looking for participants and volunteers meaning there are different ways to get involved! For more information on the program please visit:
