FYI

Greetings,

Please read the following updated information which is intended to assist you with your job search efforts.

This event has been expanded across the entire state due to the success we experienced in the Wausau market. Job seekers call in to our Jobline on the first Tuesday of every month and speak with an HR rep from one of our 3 locations in WI about what we do as a company, the opportunities we have available and see if they are interested in what we have open. Basically a short meet n greet via the phone so job seekers can call from anywhere. The jobline runs 7 am to 7 pm the first Tuesday of every month starting with March 6, 2012.
