Welcome! White Mound County Park offers a campground (typically open 4/1 - 11/30), with dump and water fill stations available - weather permitting. The park also offers horse trails and camping (typically open 5/15 - 11/1) for those who bring their own horses. Pets are allowed in most areas of our parks, but they need to remain on a 6 ft. leash at all times.

The park surrounds the 104-acre White Mound Lake that many use for paddle sports, swimming, fishing and boating at a slow-no-wake speed. Users can access the lake via the boat landing, shoreline or via the ADA fishing pier. Types of fish found in White Mound Lake include panfish, largemouth bass, northern pike and catfish.

Built in 2018, the Prairie Smoke Terrace overlooks White Mound Lake, and is available to rent all seasons.

Trails include access for hiking, snowshoeing and snowmobiling. Scattered around the park are many picnic areas that include playgrounds, grills, picnic tables, hammock stations, bathrooms and shelters.

White Mound County Park provides quality night sky viewing - many astronomers visit the park to see the night sky. Please contact our office for more details.

Hunting and trapping are allowed in many areas of the park (outside of pink dotted area). An entrance fee is required.
